

From 2011-2017, our family has hosted the Buckles and Barrels for Bailey benefit barrel race at the South Point Casino Equestrian Center in Las Vegas Nevada. All proceeds from these races went to the Las Vegas Spring Valley Hospital Neonatal Intensive Care Unit that saved our daughter Bailey's life.

We have raised over \$80,000 through these events with limited advertising and sponsorships. This money has been used for continuing education for the NICU staff, supplies for the unit, books and reference material and remodeling of the waiting room and the parents room. We have tried to create an atmosphere of hope for the parents that find themselves in the unit.

We have expanded our efforts this year to include helping individual families with the high cost of having a sick child to include purchasing formula, car seats, helping with day to day costs and assisting with medical expenses. Having a sick child puts such a financial strain on a family and we would like to help ease some of that stress.

The Gaughan family has generously offered us the use of the South Point Casino Equestrian Center for another year. Buckles and Barrels for Bailey-Round 7, is scheduled for August 31st-September 2nd, 2018. This event will continue to grow and with your help 2018 can be an even greater success.

We are in need of two kinds of help. We need financial and product donations. We need cash donations for added money to draw contestants and to cover advertising expenses and we need products to use as average prizes.

Event sponsors will be provided arena space for their banners, their logo will appear on the jumbo tron during each drag. (drag every 5 riders, between 50 and 100 times a day depending on number of entries), in all event advertising and each sponsor will receive promotion on the event website. All donations are tax deductible through our 501c.3, **Because of Bailey.**

For more information on the event or Bailey's story, please logon to www.bb4bailey.com . With your help, we can continue to expand this event and make a difference in the lives of hundreds of families who find themselves in the neonatal intensive care unit each year. Please mail all donations to Because of Bailey at 9660 S. Parko Ct, Pahrump, NV 89048.
